# The Global Project Reality: Risk vs. Opportunity

 The Demand - Opportunity

**2.3 Million**

new Project Managers needed annually  
by 2030.

 The Belief - Value

**97%**

of organizations believe project management  
is critical to business performance.

 The Risk - Financial

**32%**

of project budgets are lost when projects  
fail to reach their goals.

 The Agitation - Volatility

**39%**

of projects fail due to sudden changes in  
organizational priorities.

**The margin for error is shrinking. Structured methodology is no longer optional.**
